Dear Honorable Chief Eddie Garcia and Distinguished Guests,

This is our 14th Annual Appreciation Banquet Day to the DPD. Today, 4 outstanding DPD Officers and 7 DPD family children will receive their recognitions. This Annual Appreciation Banquet is a Dallas Korean Community's tradition toward DPD's outstanding achievements and sacrifices.

Especially after community's tragic shooting incident of last May 11th at the Korean Hair Salon right here in Dallas Korean Town which injured 3 Korean Ladies but fortunately DPD identified suspect almost instantly and arrest made with super quick action. The Dallas Korean Community is now much relieved with more trusts in DPD under the Chief Garcia's excellent leadership.

Now, the Dallas Korean Community promises our continued close relation with DPD and in building better & safer business environment.

Again, we, the Dallas Korean Community appreciate DPD's strives and sacrifices

Best regards,

Hyun K. Kim

On behalf of the Dallas Police Department, I extend my sincere gratitude to the Greater Dallas Korean American Chamber of Commerce for graciously hosting the 14th Annual DPD Scholarship Banquet. Your continued dedication, support and generosity in awarding the children of law enforcement officers with scholarships is overwhelming. This act of kindness helps ease some of the burdens that already consume many of our law enforcement officers who go out every day with the willingness to sacrifice it all for the betterment of the communities they serve.

Thank you GDKACC, for your continued support, not only for our officers, but for their families as well.

Eddie Garcia

Chief of Dallas Police Department

Greetings!

As Mayor of Dallas, it is my pleasure to welcome the attendees of the 14th Annual Appreciation and Scholarship Award Luncheon, organized by the Greater Dallas Korean American Chamber of Commerce.

I am grateful that you are honoring our city's law enforcement officers. In Dallas, public safety is our top priority, and we depend on the men and women of the Dallas Police Department to investigate heinous crimes, apprehend violent criminals, and respond to crises. Our police officers routinely put themselves in harm's way to ensure that everyone has the opportunity to live and work in a safe community.

Your luncheon demonstrates that by working together, we can make our city safer and more vibrant.

*Thank you, congratulations to the award recipients, and have a wonderful and joyous event!
Best regards,*

Eric Johnson

Mayor of the City of Dallas

On behalf of the Consulate of Republic of Korea in Dallas and as a member of the Korean community, I wish to extend congratulations to the annual Dallas Police Department Appreciation & Scholarship Award ceremony, which has been excellently hosted by the Dallas Korean American Chamber of Commerce over the last 14 years.

I also send my sincere appreciation to all the police officers in Dallas for their dedication and service, and congratulate the scholarship awardees on their awesome accomplishment.

On May 11, many of us in the Dallas Korean community were shocked and terrified of the shooting at the Korean hair salon. As it has been revealed as a hate crime, it is more disturbing and concerning among the entire Korean community.

However, the Dallas Police Department promptly arrested the suspect and it alarmed us to revisit the current status of our safety. At the same time, It gave us a chance to raise awareness of the importance of community outreach. In lieu of this, this event means a lot to bolster the relationship between the Korean community and the Dallas Police Department.

Again, I would like to thank the Dallas Korean

American Chamber of Commerce for having this wonderful event and wish this event would keep making a great tradition. And to the DPD, Your service is invaluable to all of our community. I personally thank you very much for your service. Keep up the good work of protecting our community. May god has your back.

Firstly, on behalf of the Korean community, I want to congratulate The Greater Dallas Korean American Chamber Commerce for upholding the 14th Annual Appreciation and Scholarship Award Luncheon, and thank the Dallas Police Department for being a part of it.

Looking around and seeing young students and police officers is driving the “dream” within in me stronger.

As the President of The Korean Society of Dallas and a CEO of a business, I still dream and head towards my dream every day.

As someone who has lived longer than some here, I cannot hide my feelings of sympathy for the younger generation living through the times of COVID-19. However, when met with difficulties as such, it should not be a setback on our determination but instead motivate us to be even more driven towards our dream.

A ‘dream’ is not simply an idea. When we act to fulfill the dream is when it becomes significant. Turning off your alarm early in the morning to go to school or work, smiling to yourself while checking social media at night, and getting

dressed up for a meeting are all, I believe, actions which is a start in achieving one’s dream.

I am so happy that I am here today with you in your journey.

This is because achieving your dream is the start of achieving the dreams of Dallas, America, and worldwide.

The Korean community, including The Korean Society of Dallas, will communicate and cooperate with the city of Dallas and the media to create a community where everyone can dream freely.

President of The Korean Society of Dallas
